

# Las Vegas Desert Sportsman's ELR22 Rumble Rules

- Targets will be 12" x 12" square and no target closer than 200 yards.
- One rifle per shooter. Two shooters cannot share one rifle. With this exception amended July 11 2018: "Junior shooters (8 to 14 yrs of age) are allowed to shoot a rifle previously fired in the event, or share a rifle. For this reason Junior shooters will shoot after the adult class. Youth shooters (8 to 14 yrs of age) are not eligible for ELR Central world records, unless they are entered and record is set in Open class. No rifle can be shared in the Open Class."
- No rail guns or bolted down shooting systems
- No restrictions on optics or aiming devices
- 22 caliber Long Rifle only. Magnums or necked down cartridges not allowed.
- Shooters will shoot alone with no spotter. (Adult coach is required for shooters 8 to 14 yrs of age (Junior Division). The coach is not a spotter, he is there to assist in rifle function and safety.
- Match directors will be impartial and will not coach or assist shooters. RO's will establish shooting orders and squads through a random draw system.
- Shooting can be done from any position , to include prone, sitting, kneeling or standing with a bipod or tripod. Shooters may have one rear bag to support the rear of the stock.
- Accommodations will be made for shooters with physical restrictions at the

match director's discretion.

- Shooters will be run in squads in relay. On command, shooters will line up on the line firing line behind their rifles.
- Once the shooter is given the command to fire, timer will start at that point.
- The next shooter on the line should be prepared to shoot immediately following the previous shooter when commanded by the RO.
- "Impact" will be clearly announced by the match director or his designate for everyone to hear.
- Impacts on targets must be a direct hit. Skip shots or ricochet's will not be scored.
- Any series of hits on shots 1,2 and 3 consecutively, in Open Class, will qualify as an ELR Central ELR 22 rim fire world record. Previous records must be broken by at least 10 yards. No records can be set in the Junior division.
- If more than one shooter scores hits for shots 1,2 and 3 for record , those shooters will hold the ELRC world record until another shooter does the same at a longer distance.
- Scoring will reflect higher points awarded for first round hits, and decrease as shot numbers increase, and farther target distances will reflect higher points awarded than closer targets.
- All shooters and spectators will be required to sign a liability wavier.
- Additional administrative and range safety rules may be given at the pre-match briefing. Rifles will be cased or chambers open with empty chamber indicators unless shooter and rifle are on the line and preparing to fire.
- RO's and Match Directors reserve the right to remove any shooter or spectator from the line and or event , for unsafe firearm handling or any safety issue.
